

LEARNING VOCABULARY

There are many ways to learn vocabulary.

- ◆ Visual Aids

- ◆ Demonstration

- ◆ Explanation

- Synonyms

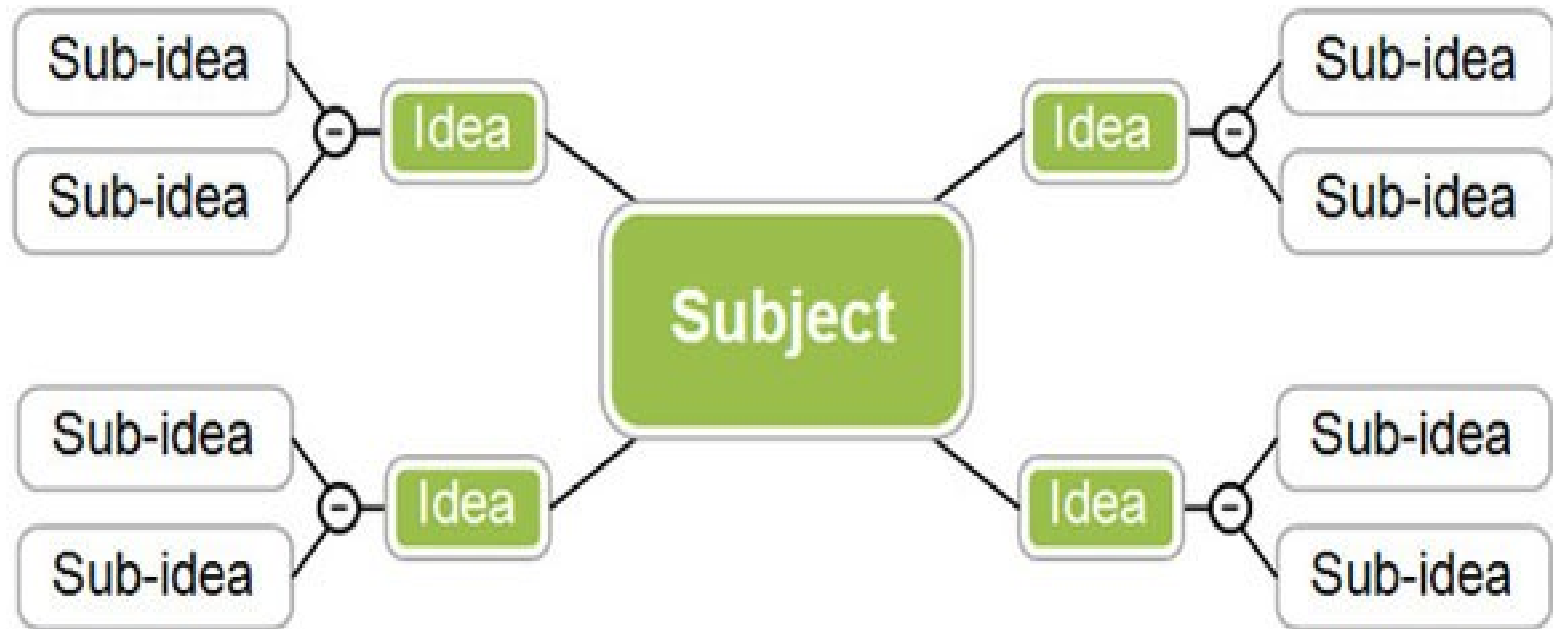

- Antonyms

- Translation

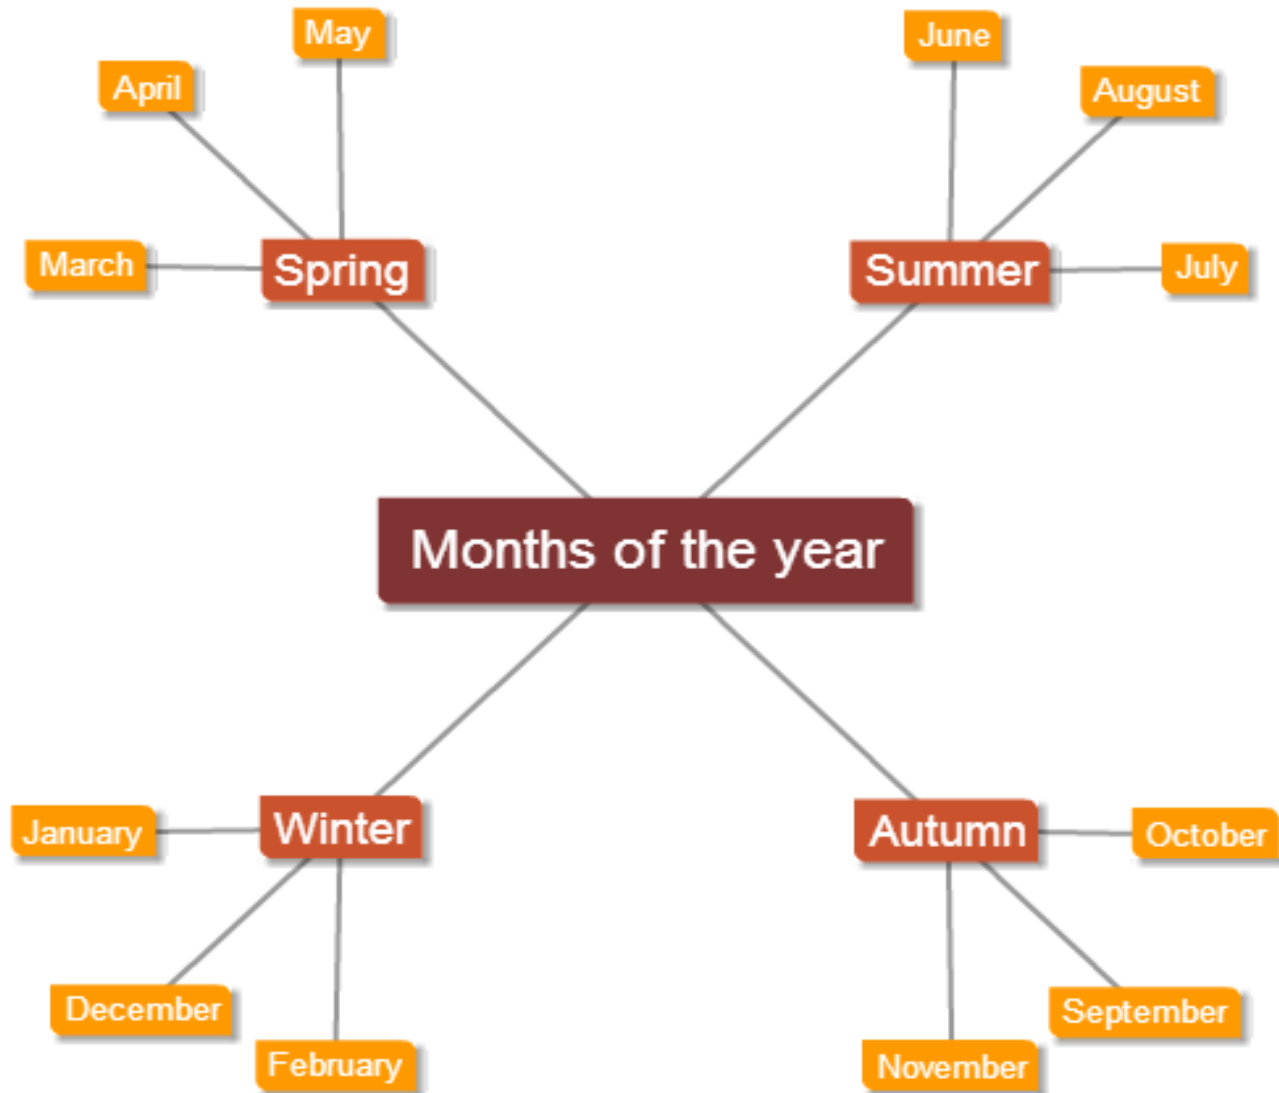

Mind Map and Learning Vocabulary

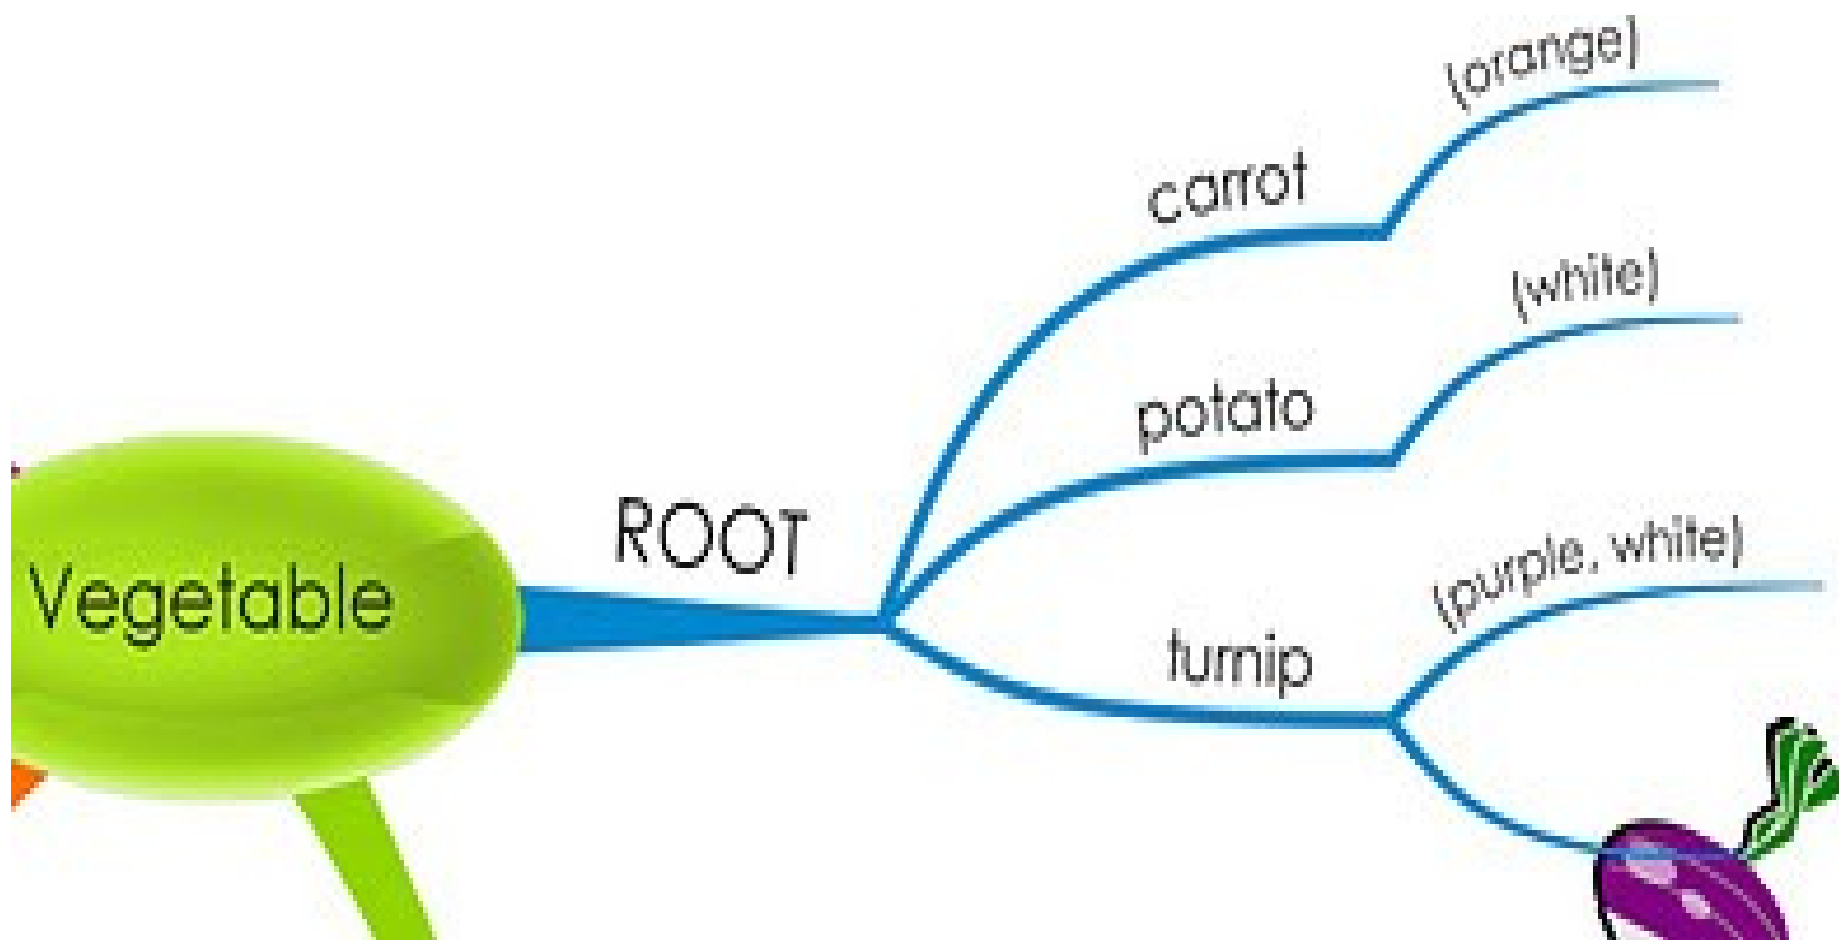

- ▶ What is the mind map?
- ▶ Mind maps are a visual form of note-taking.
- ▶ The mind map starts in the middle of the page with a central idea with branches outwards in all directions.

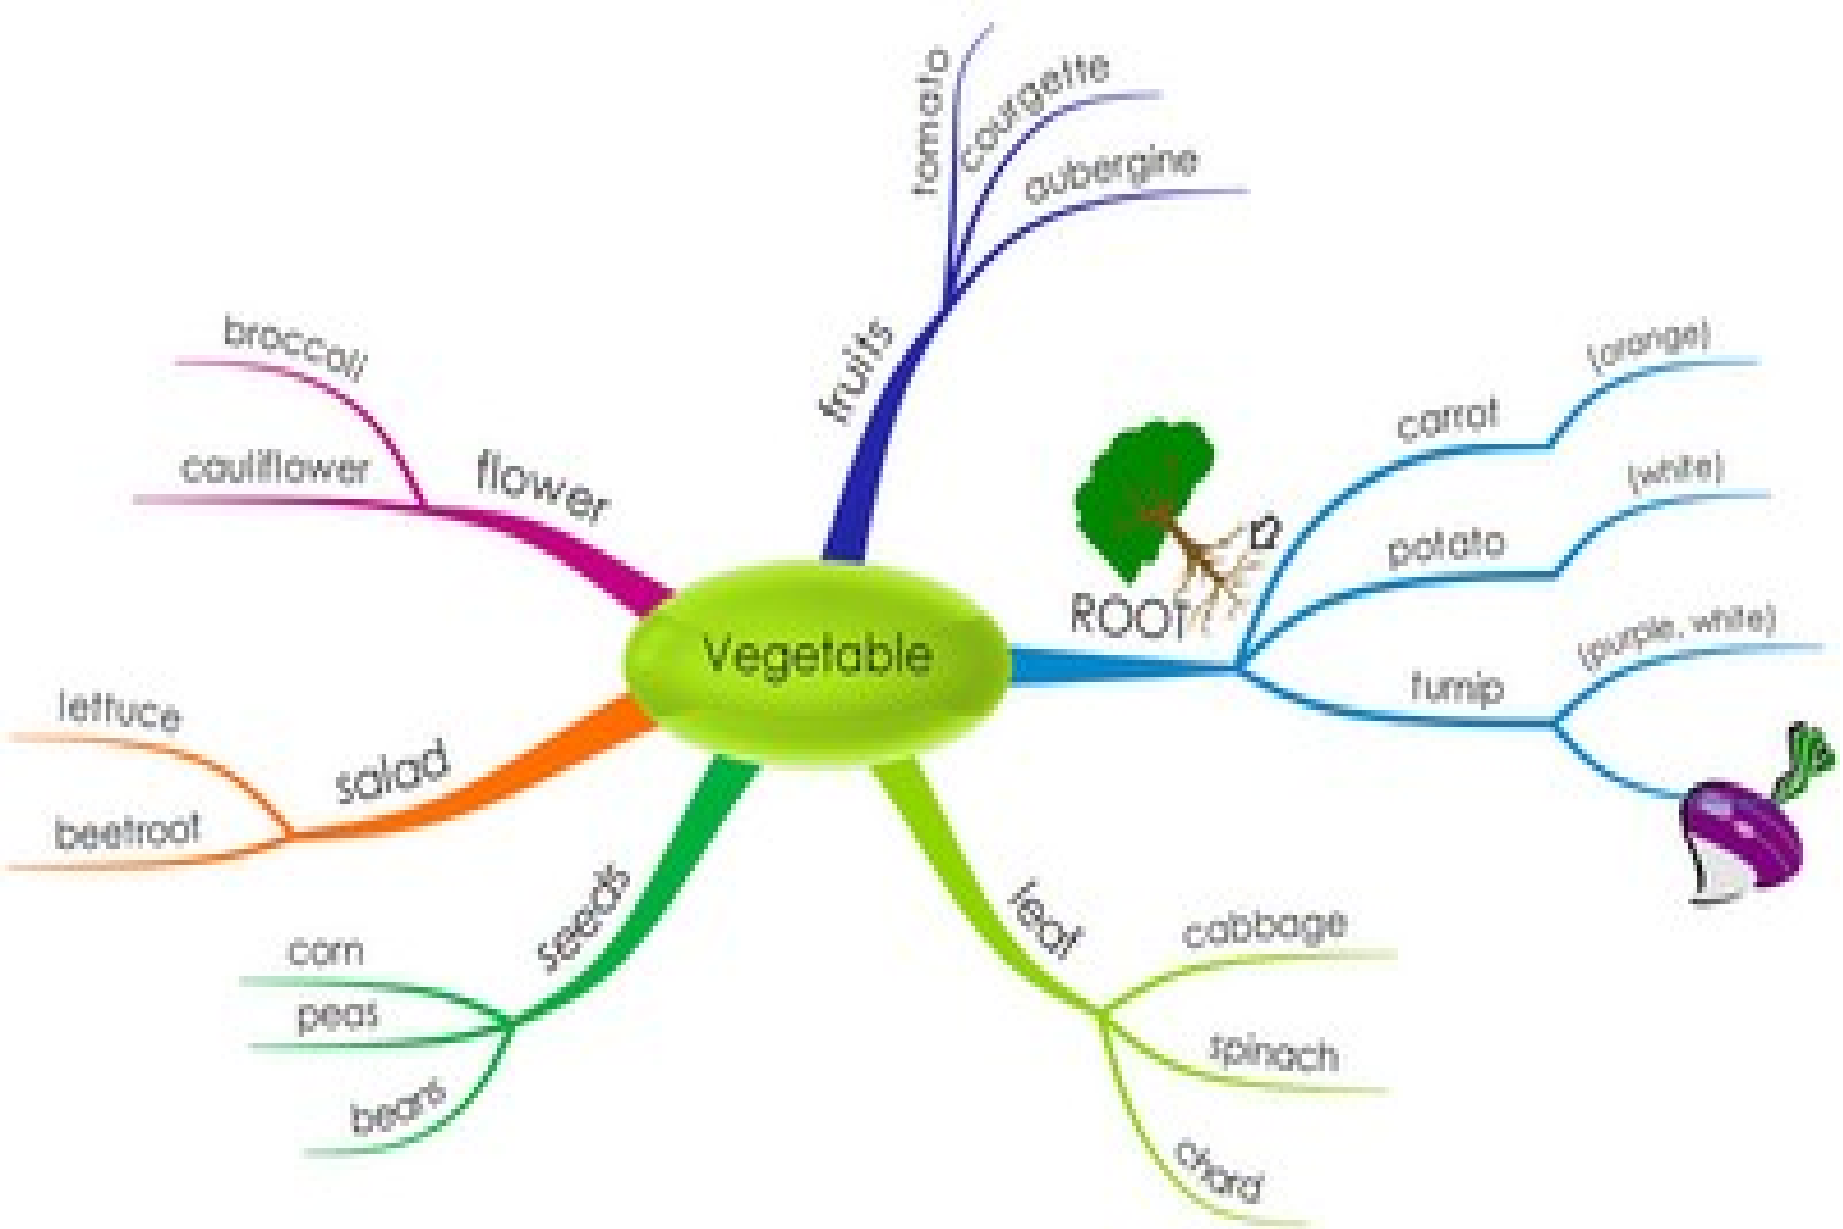

Mind Map

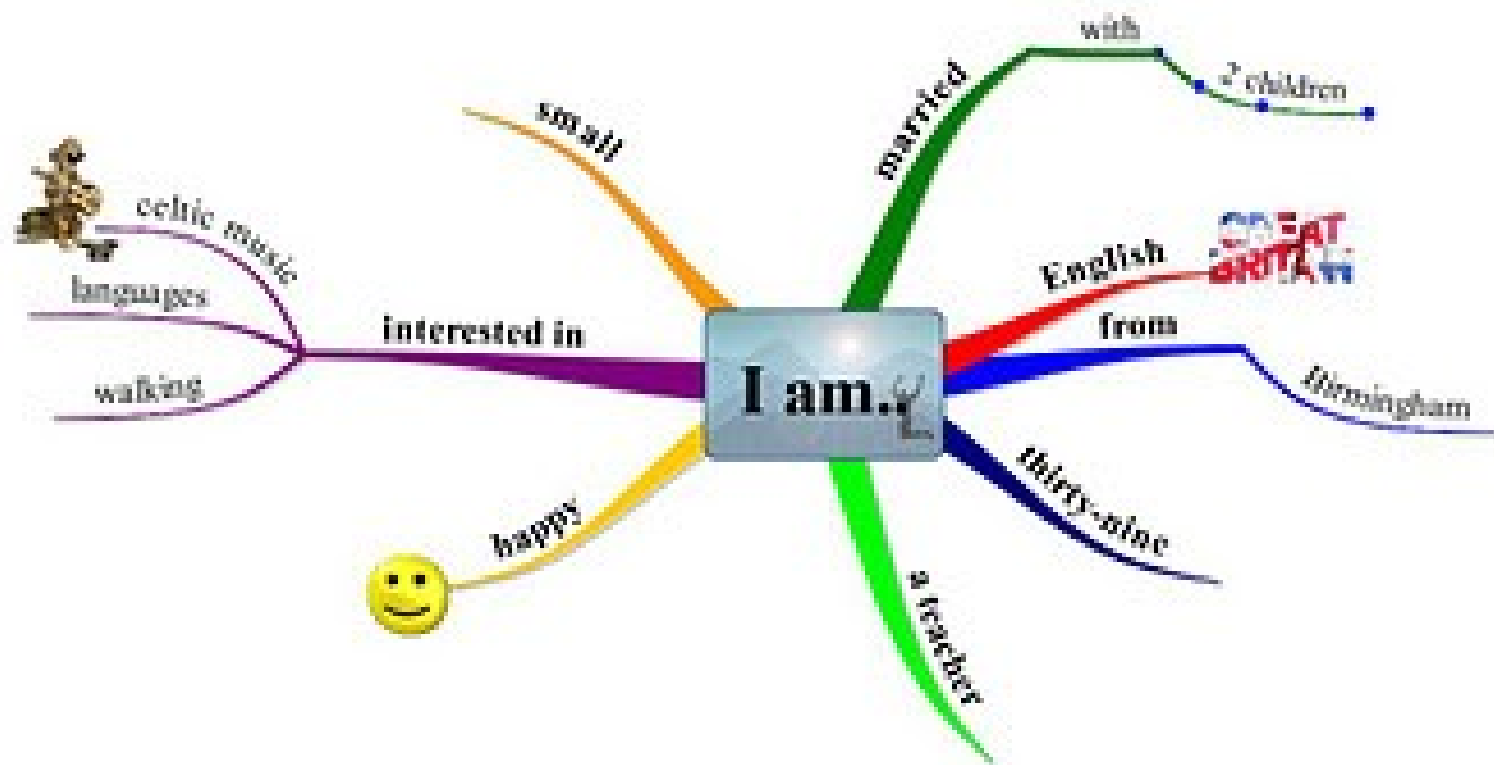

- ▶ The branches and sub-branches should contain related thoughts and ideas, hence making it easier to remember the information.
